

6

Elec. part

How do I even begin to convey to you what it feels like to know that within my lifetime

the destruction that we have seen from the climate crisis will only get worse?

People call my generation Generation Z, as if we are the last generation. But we are not. We are refusing to be the last letter of the alphabet.

S.1

dream my dream my dream my

S.2

dream my dream my dream my

A.

my dream my

T.

*purely p*  
slip-ping in - to the sea slip-ping in - to the sea slip-ping in - to the sea

B.

*purely p*  
my

9

Elec. part

Leaders, adults with power, I'm speaking to you; you gave us no choice but to drop everything, sacrifice our time,

our energy, our childhoods, to stand out here in the pouring rain to organize a mass mobilization to get you guys to wake up!

S.1

*stagger breathe*  
dree  
(‘dream’)

S.2

*individually, freely, overlapping, stagger breathe*
